

C190 : NEUTRAL DETERGENT

concentrated eco-friendly neutral detergent

Description of product

Eco-label approved product. Super concentrated, tested and approved at dilution 1 part detergent to 1000 parts water. Mild long lasting foam, perfect for dishwashing by hand. Leaves crockery and glassware sparkling clean and streak free. Eco-friendly formulation.

Product Uses

Mild eco-friendly dishwashing liquid for use by hand. Also suitable for floor and general cleaning.

Directions

Recommended dosage: For dirty dishes: 1 part product to 750 parts hand hot water For not very dirty dishes 1 part product to 1000 parts hand hot water. To wash your dishes in the most efficient way, to save water and energy, and to protect the environment, do not use running water but immerse the dishes, and use the recommended dosage. You can wash most efficiently without lots of foam.

iN Insight Supported

iN Insight is Selden's interactive product selection and training system. Enables the user to create full COSHH training kits, wallcharts, task cards and more. visit <http://www.selden.co.uk/insight>

iN Insight recommended product uses
