Welcome to Knighton Konnect

# Save time Reduce costs Improve efficiencies

Much more than just another online buying portal, Konnect was created to help Knighton customers save time, reduce costs and improve efficiencies in cleaning and hygiene processes - all from one simple secure login.

# 6 reasons to Konnect today!

## 1. Improve efficiencies

Whether you order online or by phone/email, you can access detailed real-time updates on current orders, plus full order history including invoices and delivery receipts.

## 2. Control budgets

Limit and control your spend by staff member, location or product with agreed budgets, product ranges and the ability to approve or decline orders.

## 3. Save time

Keep your own customised Knighton product range in one place for easy, fast re-ordering.

## 4. Stay up to date

Keep up to date as new features and benefits are added to Konnect, access useful guides and downloads available to members only and read all back copies of Washroom Matters.

## 5. Manage your staff

Set up and manage as many staff member logins as required, controlling permissions from your own central login.

## 6. Reduce expenditure

Buy at the best price every time with access to trade price savings and customer only deals.

Use of Konnect makes life so much easier, allowing you to see at a glance if items are out of stock and giving you the choice of selecting a replacement item.
